

## Public Engagement E-Monthly

This monthly Enews highlights new and relevant public engagement resources and events for local elected officials and staff.

---

## Building Healthy and Vibrant Communities:

### Achieving Results through Community Engagement

This resource helps local officials inform their residents about what land use planning is, who is involved, why community engagement matters and ways to participate.

---

## Understanding the Basics of Land Use and Planning Series

ILG has a series of resources designed to help California local officials in their efforts to plan and develop healthy communities that are socially, economically, environmentally and fiscally sustainable. The series includes: a Guide to Local Planning, a Glossary of Land Use and Planning Terms and a Guide to Planning Healthy Neighborhoods.

---

## Land Use and the Environment

Cities and counties can have an enormous impact in shaping the physical environment of neighborhoods and the health and well-being of their residents. ILG provides resources to support local officials in their efforts to plan and develop healthy communities that are socially, economically, environmentally and fiscally sustainable.

---

## Public Engagement Signposts – October 2014

This regular feature of ILG's Public Engagement E-News offers useful information and resources about public engagement practices, innovations and ideas from sources in California and elsewhere.

---

### Support the Institute

Help support the work of the Institute! ILG relies on the generosity of individuals, organizations and businesses in order to continue to promote good government at the local level and remain at the forefront of public engagement issues in California. Help us continue to do this work by making a tax-deductible donation today! The easiest way to donate is online by clicking the donate button on the [homepage](#), or you can contact ILG at 916-658-8208 or by [email](#).
